Dear Ministers Donaldson and Heyman,

RE: BUNCHGRASS-WISEMAN FOREST SERVICE ROAD

A recent examination of Bunchgrass-Wiseman FSR by BFWSS, has revealed that this road is and has been inadequately maintained.

It presently lacks proper road crown, ditches, and water control. It is also being further degraded by current logging operations.

Consequently, we ask that you immediately suspend all industrial use not directly related to road improvements or hydrological/environmental concerns and ensure that correctional works are carried out forthwith.
